

Sharing Videos from the Acura Info Center

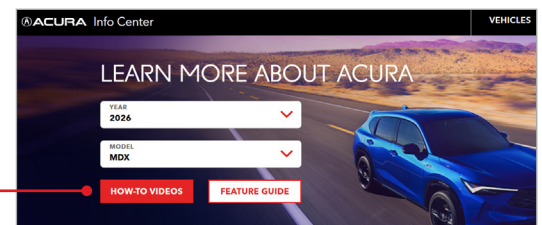

From model and trim information to detailed how-tos, the Acura Info Center hosts many videos your clients will find invaluable. This is a great resource that you should take advantage of to provide clients with up-to-date knowledge and helpful tips. Here's how to share videos directly from the Info Center:

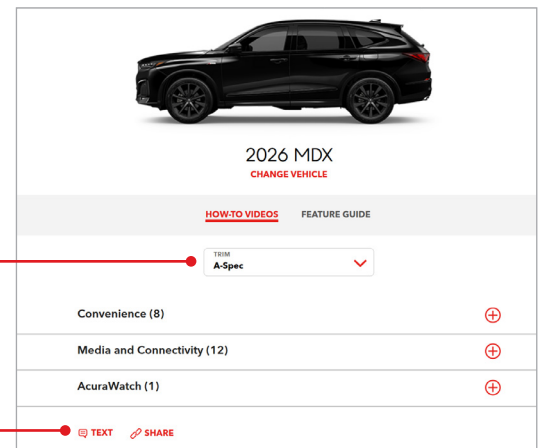

01 Open your browser and go to **AcuraInfoCenter.com**.

02 Use the drop-down menus at the top of the page to pick a year and model, then select **How-To Videos**.

03 If necessary, specify a trim level.

04 To share the entire suite of videos associated with that model and trim level, select **Text** to enter the client's mobile number or **Share** to copy the video link to your clipboard and paste it into a text or email message.

05 To share a specific video, expand the categories and select the one you're looking for...

...then use **Text** to enter the client's mobile number or select **Share** to copy and paste the link.
