

MY26 RDX

## Reasons to Love

### PRECISION-TUNED INTEGRATED DYNAMICS SYSTEM, SUSPENSION AND NVH

With multiple Integrated Dynamics System (IDS) driving modes – Sport, Normal, Comfort and Snow – the 2026 RDX offers a dazzling range of driving experiences.

- Advance: Adaptive Damper System offers greater comfort and luxury
- A-Spec® Advance: Adaptive Damper System tuned for engaging, sporty feel
- Noise, Vibration and Harshness (NVH) tuning in every RDX boosts comfort and refinement

### TECH TO KEEP YOU CONNECTED

The latest in connected technology streamlines your drive in the RDX.

- Every RDX comes with wireless Apple CarPlay® and Android Auto™ compatibility, and features new widescreen mode for greater usability
- Conveniently positioned Qi-compatible wireless charging keeps your smartphone juiced up on the go (Technology and above)
- Standard Alexa Built-In lets you play music, get directions, place calls, listen to audio books, control your smart home and more – all with just your voice
- Engine start remote fob with quarter-mile range (Advance, Accessory)

## SET THE MOOD

Heighten the feel of any drive with the Iconic Drive™ Ambient Cabin Lighting system in the RDX (Technology and above).

- Door panel lighting lets you create the perfect ambience with 27 modes
- Inspired by famous performance driving destinations and tracks from around the world such as the Pacific Coast and Suzuka Circuit

## DRIVER ASSIST SYSTEMS HAVE YOUR BACK

A wide range of features in the RDX help you feel secure and in command.

- Seat belt reminders for all five seating positions
- Traffic Sign Recognition
- Blind Spot Information (BSI) System
- Low-Speed Autonomous Emergency Braking (AEB) can detect objects at low speed and warn the driver or apply the brakes to help avoid or mitigate a collision (Technology trim and above)

## ROOM AND COMFORT TO GO

The 5-person RDX is “right-sized” for active living, with a roomy cabin and versatile rear cargo space.

- Supportive front sport seats are sculpted for optimal comfort
- Flat rear floor offers plenty of foot room
- Roomy cargo area under-floor storage
- Cargo area accessory power outlet (Advance, A-Spec Advance)

## TRAVEL INSIDE THE MUSIC

The available Acura/ELS STUDIO 3D® Premium Audio System was developed and tuned by GRAMMY-winning music producer Elliot Scheiner.

- Sixteen speakers and 710 watts of stunning precision power
- Four ultra-thin, ceiling-mounted speakers create a three-dimensional listening experience
- Standard in Advance and A-Spec® Advance

## SUPER HANDLING ALL-WHEEL DRIVE™ FOR ALL SEASONS AND ALL REASONS

Every RDX model comes standard with the latest generation of Acura's performance all-wheel-drive system.

- Acura SH-AWD® is the most advanced and capable torque-vectoring all-wheel-drive system in the segment
- Not just for winter – wet or dry, SH-AWD maximizes acceleration by transferring power to the ground
- Up to 70% of torque can be distributed to the rear wheels
- Up to 100% of the rear torque can be sent to either rear wheel

## WIDE ACCESSORY RANGE FOR TOTAL PERSONALIZATION

A generous accessory list makes it easy to perfectly outfit the RDX.

- Front and rear illuminated door sill trims
- All-season mats with logos
- Acura logo pattern projector lights
- A-Spec® exclusive items (sill trims, emblems, wheels, heated steering wheel and more)
